Welcome

Welcome to the Newey 2026/2027 Liner Catalogue.

Firstly, we would like to thank you for your continued business since the publication of our previous Catalogue.

Although our main aim continues to meet the volume and quality expectations of customers based on our existing core range, we are always working with our breeder partner network to bring to you new and exciting varieties which we feel add value to your plant ranges.

We feel there are some real winners in the introduction list this year, a few of which we wanted to highlight below:

- **Abelia ‘Green Dragon’** – a very strong, grower-friendly Abelia with clean green-red foliage with large heavily fragranced pink flowers.
- **Abelia ‘Golden Dragon’** – a sister line to the above variety with similar attributes but with the added attraction of golden foliage.
- **Agastache ‘Beelicious Pink’** – a multi award winning variety which we just had to add to our liner range. Agastache Beelicious Pink has a compact habit, the large pink flowers are not only a delight to the eye but also attract many butterflies and bees.
- **Escallonia ‘Pink Lemon’** – a beautiful glossy leaved yellow Escallonia with vibrant pink flowers that bloom richly in the summer and can have a rebloom in autumn. A variety which not only looks good but from our trials is a lot more grower friendly than previous yellow leaved varieties.
- **Euphorbia ‘Miners Merlot’** – a great variety with dark green foliage and dark, burgundy new red growth and stems. Miners Merlot is a vigorous grower, with great disease resistance and strong upright stems.
- **Miscanthus ‘Lady In Red’** – a stunning new grass with fantastic late summer – autumn colour destined for big things. This stunning ornamental grass looks as elegant as ornamental grasses can get, with striking dark purple and green foliage in spring that transforms to the most astonishing bright red in autumn.

We hope you enjoy browsing through the new catalogue.

Once again, we extend our sincere gratitude for your valued business and support.

Thank you for choosing Newey.

In these conditions, the "Company" means Newey Limited. the "buyer" means each person, firm or company purchasing any goods, "consumer" means persons as defined in section 12 Unfair Contract Terms Act 1977 and "goods" means the goods or materials supplied or to be supplied by the Company to the buyer.

1.2. These conditions shall apply to the contract between the Company and the buyer for the sale of those goods detailed in the order.

1.3. These conditions shall apply to the exclusion of any terms or conditions which the buyer or any other person may state or refer to in correspondence, order forms or otherwise, whether before or after receipt by the buyer of these conditions and notwithstanding any purported stipu- lation by the buyer to the contrary or any custom, practice or course of dealing.

1.4. No variation, exclusion or waiver of any of these conditions shall be effective unless made in writing by a duly authorised representative of the Company.
